Who Are We?

The Rose Bud Auxiliary was formed in February 2019, in conjunction with the St. Rose Dominican Health Foundation to support Dignity Health, St. Rose Dominican Hospitals. The Rose Bud Auxiliary works to advance the quality of healthcare in the community through volunteerism and fundraising that supports the hospital's mission. St. Rose Dominican Hospital is the only faith based, non-profit hospital in Southern Nevada.

The Auxiliary raises money through social and charitable activities to support the hospital. All monies raised are used to purchase member designated equipment for the hospital.

All membership fees support the mission of Dignity Health St. Rose Dominican Hospital. The Rose Bud Auxiliary welcomes both men and women.
