“For nearly 70 years, St. Rose has relied on the generosity of donors and partners to help fulfill our mission of caring for all who come to our doors, which is the ultimate expression of humankindness.

This partnership of philanthropy and community support enhances our ability to treat and care for patients well beyond the walls of the Hospital. The St. Rose Dominican Health Foundation provides funding for many programs that rely on the dedication of donors. Whether it’s a young child needing life-saving care supported by our Children’s Miracle Network initiatives, a mother diagnosed with breast cancer who receives treatment and support through our R.E.D. (Responsible Early Detection) Rose Program, or a grandfather fighting a chronic illness who uses the resources of our Community Health & Wellness programs to stay healthy and out of the hospital – your kindness brings hope and healing to those we serve.

Thank you for partnering in our mission. Together, we help improve the quality of life for the residents of southern Nevada. Please read on to see how your expression of humankindness made an impact in 2016.”

- Charles Guida, Foundation President
St. Rose Dominican Health Foundation
“Dignity Health has again been ranked among the top 10 high-performing health care fundraisers in North America by the Association for Healthcare Philanthropy (AHP). This is the second year in a row that we have been honored with this distinction.”

- Fred Najjar,
  Senior Vice President for Philanthropy, Dignity Health
Dignity Health - St. Rose Dominican

St. Rose Dominican is the only not-for-profit, religiously sponsored hospital system in southern Nevada. Our mission, vision, and values guide us in responding to the area’s health care needs.

Mission:
Committed to furthering the healing ministry of Jesus, we dedicate our resources to:
- Delivering compassionate, high-quality, affordable health services.
- Serving and advocating for our sisters and brothers who are poor and disenfranchised.
- Partnering with others in the community to improve the quality of life.

Vision:
A vibrant health care system known for service, chosen for clinical excellence, standing in partnership with patients, employees and physicians to improve the health of southern Nevada communities.

Values:
- Dignity - Respecting the inherent value and worth of each person.
- Collaboration - Working together with people who support common values and vision to achieve shared goals.
- Justice - Advocating for social change and acting in ways that promote respect for all persons and demonstrate compassion for our sisters and brothers who are powerless.
- Stewardship - Cultivating the resources entrusted to us to promote healing and wholeness.
- Excellence - Exceeding expectations through teamwork and innovation.

St. Rose Dominican Health Foundation

Mission:
The mission of the St. Rose Dominican Health Foundation is to improve community health and wellness through fundraising and relationship building for Dignity Health - St. Rose Dominican.
Wisely applying the funds received by the St. Rose Dominican Health Foundation towards services and programs that help those most in need in our community is critical to supporting the mission and vision of Dignity Health - St. Rose Dominican.

In 2016, the St. Rose Dominican Health Foundation raised $4,223,000.

Here’s how we did it, and how we put it to use to improve southern Nevada’s health care services:

**2016 IN REVIEW**

**Private Grants:** $415,000

**Public Grants:** $1,538,000

**Special Events:** $330,000

**Major Gifts:** $206,000

**Capital Campaign:** $126,000

**Annual Support:** $1,608,000
DIGNITY HEALTH - ST. ROSE DOMINICAN

496 Cardiovascular and Thoracic Procedures
373 Major Joint Replacements (DRG)
Giving Thanks Through Philanthropy

Our caregivers perform miracles each and every day. Some of them share a kind word or smile, bring new life into the world, hold the hands of someone passing; others help us take our first steps following a procedure. If you know Dr. Hanson, you know that he helps patients regain mobility and in many ways reclaim their lives. He is a kind physician, who sits with his patients, gives detailed/honest information about their procedure(s), and does his best to heal those he cares for.

Dr. Hanson was a recent recipient of a Grateful Patient award. This special award is given when a patient is so grateful for the care they have received that they decide to support our mission.

St. Rose Saints 2016 - Patients and families like to show their gratitude in multiple ways – such as giving a gift or tip to their care providers. While Dignity Health Policy does not allow the acceptance of personal gifts and tips - it does allow for the acceptance of donations directed to the St. Rose Dominican Health Foundation. The Foundation created the St. Rose Saints Program as a way to recognize employees when a donation is made in their honor.

As of 12/31/2016
WE LOVE OUR ST. ROSE SAINTS!

Registered nurse Micki Torres, who works in our Siena Same Day Surgery Department, was recently presented with a St. Rose Saint recognition. A grateful patient made a donation in Micki’s honor to thank her for the exceptional care she provided. The grateful patient commented, “Micki is compassionate, she is kind, and she made me feel safe during a time that I felt unsure of myself. . . and for that I am GRATEFUL!” Thank you, Micki, and the entire team in Same Day Surgery for all you do to spread humankindness to all of our patients each and every day!

GIVING THANKS THROUGH PHILANTHROPY

Recently, Lisa Chirco, a member of our security team, was recognized as a St. Rose Saint by a grateful family who made a donation in her honor. The family wrote, “Your entire team made us feel like part of an extended family. Security guards like Lisa, held our hands and offered comfort to us while personally walking us to the bedside when we couldn’t find where we were going.” Lisa, thank you for comforting a family in need – you are truly a saint and we are blessed to have you as part of our care team.

We also want to extend a special thank you to our Security Department, which goes above and beyond the call of duty to offer support to all of us on a daily basis!

HUMANKindNESS TAKES FLIGHT

We are blessed at Dignity Health - St. Rose Dominican to have employees who, when faced with an opportunity to take action to help others, do it no matter the situation.

Sarah MacIolek, Siena Campus Imaging Nurse Manager, was recently on a flight when the pilot came over the intercom asking for medical personnel to help a fellow passenger. In that moment, Sarah chose to offer her support to a passenger in need.

While stabilizing the medical situation, Sarah comforted the passenger by talking with him about her work at St. Rose and her heart for our mission. Once the plane landed, the passenger handed Sarah a donation in support of our mission while he was being taken to the ambulance.

This is not the first time Sarah has been honored by a patient for her exceptional care. She is an amazing example of our values in action.
Since 1983, Children’s Miracle Network Hospitals (CMNH) has raised more than $5 billion - most of it $1 at a time - for 170 children’s hospitals in the U.S. and Canada. Funds are raised in conjunction with over 80 corporate partners (such as Walmart, Smith’s, Costco, IHOP, and others), and the organization is unique in its efforts - as 100% of the money that is raised local, stays local. St. Rose Dominican is proud that in January 2005, it was designated the only CMN Hospital in the region. Since that time, we have been honored to provide much needed care and services through our facilities to the children in our community who need it the most.

In addition, the Maternal Child Centers at the San Martín and Siena Campuses are the first in southern Nevada to earn the prestigious “Baby-Friendly USA” designations. The Baby-Friendly Hospital Initiative is a global program launched by the World Health Organization (WHO) and the United Nations Children’s Fund (UNICEF) to encourage and recognize hospitals that offer an optimal level of care for infant feeding and mother/baby bonding. St. Rose Dominican is honored to have been selected to participate in this initiative as we believe it affirms our dedication to providing the highest level of maternal and pediatric care for the residents of our community.

Additional Corporate Sponsors include: Panda Express, Ace Hardware, Chico’s FAS, RE/MAX, Credit Union for Kids, Direct Energy Home Services, Kiwanis, Marriott Vacation Worldwide and Marriott International, Alex and Ani, CDW and Dairy Queen, Coinstar and Love’s Travel Shop.
OUR DEDICATED SPONSORS

Together with our hospitals and media partners, our sponsors make Children’s Miracle Network Hospitals the most effective, efficient, and compelling example of people working together for kids.
Children’s Miracle Network Hospitals Balloon Campaigns
All Year in Partnership with Local Corporate Sponsors

All year long, local organizations partner with Children’s Miracle Network Hospitals to promote the familiar ‘balloon campaign’ that is at the heart of the organization’s fundraising activities. These $1-at-a-time fundraising campaigns have helped bring a historical total of $11.867 million to St. Rose Dominican, allowing us to provide new pediatric equipment, charity care for patients, and health education for children since becoming a Children’s Miracle Network Hospital.

Children’s Miracle Network Hospitals Dance Marathon
March 2016

A nationwide movement involving college and high school students at more than 150 schools across the country, this high-energy event engages youth and teaches invaluable leadership and social skills while raising funds in a variety of ways and interacting with children’s hospital patients and families. Taking place each spring at the University of Nevada, Las Vegas, “We dance for those who can’t.” This year we had 500 students participate in our Dance Marathon, which is double the participants from 2015!

Pictured: Community Performance Group

The Torch Relay for Children’s Miracle Network Hospitals
October 2016

A unique multi-day event where participants can walk or run a segment of The Torch Relay at events throughout the country, this event runs from coast-to-coast, from Florida to California, and has raised over $11 million for hospitals nationwide. Locally we have raised over $175,000 for St. Rose Dominican.

Children’s Miracle Network Hospitals Christmas Miracle Celebration
December 2016

Each year, Children’s Miracle Network Hospitals at St. Rose hosts a heartwarming Christmas Celebration that provides comfort and enjoyment to our patients and their families, as well as a welcome distraction and wonderful break from treatment. Santa passes out gifts and joins patients in free photo keepsakes. Entertainment includes a gingerbread house decorating station, letters to Santa table, crafts, storytelling, and more. In 2016, we had 90 children celebrate the holiday with us.

SPECIAL EVENTS

Annual Celebration
The 59th Annual Celebration was held at the Mirage Resort and Casino in April 2016. Our annual fundraising event raised funds to directly support the critical – often life-saving – services such as our St. Rose cardiovascular, neurosurgery, pediatric, orthopedic and rehabilitation programs. Four hundred and seventy guests attended and raised a total of $360,000 through table sales, donations, silent and live auctions, and a special appeal. With support from sponsors, donors and friends, the hospital can continue to provide the highest level of care for our patients and their families. The event celebrated another year of St. Rose successes in spectacular style!

Golf Tournament
St. Rose Dominican Health Foundation and Southern Highlands Golf Club hosted the 19th Annual “Swing for St. Rose” Golf Tournament in May 2016. It was a huge success! Our golfers turned out for a day of great weather at a beautiful golf course. All of the proceeds go to help us fulfill the mission of the only not-for-profit, religiously sponsored health care ministry of Dignity Health - St. Rose Dominican. Eighty-nine corporate sponsors and friends of St. Rose participated. After playing 18 holes, the fun-filled event was topped off with an awards celebration, dinner and silent auction. The tournament raised nearly $66,000.

Rose Regatta
In October 2016, the 8th Annual Rose Regatta Dragon Boat Race & Festival sold out with 62 teams paddling to raise money for St. Rose Dominican’s R.E.D. Rose program. Approximately 3,000 people attended the event with 1,550 rowers participating in the races. R.E.D. (Responsible Early Detection) Rose provides no-cost breast health and breast cancer services for underinsured and uninsured women and men. Participants came from all across the country including teams from Arizona, California, Florida, Georgia, Philadelphia, Massachusetts and even Canada! This year’s community partners included: Susan G. Komen Nevada, Brighton Collectibles, Radiology Associates of Nevada, Pueblo Medical Imaging, and The Village at Lake Las Vegas. The day concluded with the presentation of paddle trophies and medals to the winning teams. Over $112,000 was raised to help provide breast cancer screenings, treatment and supportive services to those diagnosed with breast cancer.
Mission

In cooperation with the St. Rose Dominican Health Foundation, the mission of the Sun City Anthem St. Rose Outreach Team is to support the Dignity Health - St. Rose Dominican Hospitals by:

- Presenting periodic health-related seminars to improve community health and wellness
- Sponsoring special programs that increase awareness and create relationships
- Fostering a climate that will encourage residents to provide financial support for southern Nevada's only not-for-profit, religiously sponsored health system

DONOR RECOGNITION

Pillars of Philanthropy - recognizes donors who contribute significant resources to fund investments in technology, facilities, and other major initiatives. For their incredible generosity, we honor Pillars of Philanthropy at the following cumulative giving levels:

**Sisters’ Circle** - $1,000,000+
- Adrian Dominican Sisters
- The Boyd Foundation & Boyd Gaming Corporation
- Children’s Miracle Network Hospitals
- Costco Wholesale
- Del E. Webb Foundation
- Engelstad Family Foundation
- Estate of William Fry
- Estate of William M. Moore
- Geraldine Maday Management Trust
- Greenspun Family Foundation
- HMS Host
- The Lincy Foundation
- Nina A. Hartwell
- Smith’s Food & Drug Store
- State of Nevada
- Susan G. Komen Nevada
- The Rendina Family Foundation
- The UCLA Foundation

**Presidents’ Circle** - $500,000+
- The Caesars Foundation
- Estate of Richard Hardoin
- E. L. Wiegand Foundation
- Nevada Hospital Association
- David A. Salo

**Legacy Circle** - recognizes donors who leave their imprint on health care in southern Nevada through thoughtful, planned gifts. We appreciate those who have made provisions for St. Rose in their estate plans, such as a will, trust, life insurance policy, retirement plan, or irrevocable pledge or through a life-time income gift, such as a gift annuity or charitable remainder trust.

“I grew up in a family of service. Both of my parents worked in service industries and my sisters and I were candy stripers at the local hospital as youths so we learned about giving our time at an early age. At St. Rose, giving continues to be important to me as I know our foundation uses our employee funds to make improvements and expansion of our services. As a member of the Henderson community, it is important to me that our hospitals continue to provide cutting edge care to our local residents and resources for individuals who may come to the area and need healthcare unexpectantly. I want to be a part of our organization’s continued success and I am able to do that by giving."

- Maggie Rafferty, Chief Experience Officer

2016 iGive Employee Campaign Donors - since 2006, St. Rose employees have given over $500,000 to support greatly needed projects at all three campuses.

“I have been a cook, a dishwasher, a furniture delivery man, a professor, a teacher and a scientist. But it will be ‘doctor’ that someday someone will carve on my headstone. I was lucky to have found a career that has given me so much. I also recognize that I have enjoyed my career as a doctor for completely selfish reasons. Selfish because I learned long ago that the greatest joy in life is helping others. I count it as a privilege (and a pleasure) that I spent the first half of my career caring for critically ill and injured children, and during those years I had the further honor of working with Children’s Miracle Network, which was another way to give. Giving is the best way I have found to make myself happy. So I give back, but for purely selfish reasons.”

- Dr. Robert Pretzlaff, Chief Medical Officer
