"Having Fun Raising Funds"

Congratulations to Charles Guida

Please join us in congratulating Charles "Charlie" Guida, who will serve as the vice president of philanthropy for the CommonSpirit Health Southwest Division. Charlie has nearly 40 years of experience in philanthropy and fundraising. He joined Dignity Health in 2007 and currently serves as vice president and chief philanthropy officer for St. Rose Dominican Health Foundation in Nevada, and as interim president for Dignity Health East Valley Foundation in Arizona.

In his new role, Charlie will be responsible for developing and implementing ongoing, comprehensive fundraising strategies and operations in support of, and in collaboration with, the foundations of Dignity Health facilities in Arizona and Nevada. While growing financial and public relations support for the division's hospitals, programs, and services, Charlie will ensure efficiencies and leverage resources across the service area.

Charlie has led several highly successful development programs, which include exceeding goals of more than \$250 million for comprehensive capital campaigns. He has in-depth experience in board recruitment and management, leading fundraising teams, and securing major gifts. Charlie's fundraising experience spans hospitals, academic medicine and higher education, and includes leadership roles at Lifespan/Rhode Island Hospital, University of Massachusetts Medical School, Clark University, and Villanova University.

Charlie holds a Bachelor of Arts in communications and a Master of Business Administration from Villanova University. (cont.)

"War" Baby Comes Home

St. Rose de Lima Hospital was originally Basic Magnesium Incorporated Hospital, which was built by the government to accommodate World War II industries that sprung up in the Henderson area. The Adrian Dominican Sisters purchased it from the U.S. government in 1947 for the outrageous price of \$1.00 a year for 25 " years. They changed the name to St. Rose de Lima.

When the original hospital first opened, the first baby born at Basic Magnesium was William Thomas War on November 10, 1942. His parents were Mr. and Mrs. T.L. War. Mr. War was one of those war workers the hospital was built for. You could not make this up! At the time, his birth made the AP and UPI headlines – akin to the major TV networks today.

The doctors and nurses at the hospital loved him, and affectionately called him "war" names like little "Submarine" "World" and "Invasion."

Bill, as his friends like to call him, spent his early life in Boulder City, but eventually moved out of Nevada to Montana to attend college, and earned a master's degrees in chemical engineering. His professional life is exceptional, with prominent, administrative positions in the gas and oil industries, with leading companies like Huskey Oil, Shell Oil, JN Exploration, Louisiana Land and Exploration, and Inland Refining and Resources.

Bill then developed and managed his own company, William T. War & Associates, along with Executive Alliance Group and O & G (cont.)

Environmental Consulting, which he still does today.

Bill and his lovely wife, Donna, returned to Nevada and purchased a home in Sun City Anthem almost two years ago. They were fortunate enough to acquire one of the original model homes that Bill had looked at back in 1998 when they were first built. Talk about coming home!

They enjoy hiking, biking, traveling, skiing, golf, fishing and all the amenities of Sun City Anthem. We are fortunate to have the first War baby born at what is now St. Rose de Lima in our Rose Bud Auxiliary.

Who Are We?

The Rose Bud Auxiliary was formed in February 2019, in conjunction with the St. Rose Dominican Health Foundation to support Dignity Health - St. Rose Dominican. The Rose Bud Auxiliary works to advance the quality of healthcare in the community through volunteerism and fundraising that supports the hospital's mission. St. Rose Dominican is the only faith-based, non-profit healthcare system in southern Nevada.

The Auxiliary raises money through various activities to support the hospitals. The money raised purchases items and supports programs for much needed patient services.

All membership donations support the mission of Dignity Health - St. Rose Dominican.

What Benefits Do Members Receive?

Members of the Auxiliary are given the opportunity to:

- Serve the community and support local healthcare programs.
- Use their individual skills and hobbies to help others.
- Spend vital time and resources with fundraising events as well as serving on Auxiliary committees.
- Attend our annual luncheon to honor our Auxiliary members.
- Receive the quarterly Gratitude newsletter and the Rose Bud newsletter.
- Meet new friends and re-establish relationships, while having fun with a purpose!

How do I join the Auxiliary?

Simply fill out the membership application, then return your completed application and donation to the address below. Checks should be made payable to the **St. Rose Dominican Health Foundation**.
