

What is the Rose Bud Auxiliary?

The Rose Bud Auxiliary's mission is to support Dignity Health St. Rose Dominican in southern Nevada, in concert with the St. Rose Dominican Hospital Foundation, by advancing the quality of healthcare in the community through volunteer social and fundraising endeavors while building awareness of the myriad of healthcare services provided to local residents.

What does the Auxiliary do?

The Auxiliary raises money through fun activities and social events to support the hospital. The money raised will purchase items for much needed patient services and programs.

All membership donations support the mission of Dignity Health St. Rose Dominican.
